A Story of Hope

Several years ago, Sarah came to A Hope Center. She was only 17 years old and pregnant. Her boyfriend was supportive as were their parents who would often drive them to Earn While You Learn Classes. “It was a very hard road, but we were blessed by the services they offered there,” Sarah stated. Sarah and her boyfriend also had to transfer schools because they were released from the Christian school they attended.

Now Sarah and her boyfriend are married and the parents of three children. They also want to give back. “You were there for us when we needed it the most. My husband and I will be eternally grateful.” Sarah came back to A Hope Center 13 years after she first walked in. This time, she was holding a baby bottle full of change. Sarah found hope, support, and love at A Hope Center years ago because someone like you gave. The clients who are at A Hope Center today are finding the same hope, support and live because you gave.

Thank you for believing in the life-affirming ministry of A Hope Center.

Brentwood School Supplies

Many of you have asked if we will be collecting school supplies this year. Because the schools are not having on-site registration, supply distribution would be difficult. We have decided to ask, instead, if you wish to be a part of this ministry, to make a monetary donation and we will use that for needs at Brentwood as they are known. Please also see the article below for another way that you may help our school children.

It's Official! School will be back in session this fall!

With that also comes the start of an exciting new year of Faith Kids' Care. While our program will be reopening, things will look a little different. One of the new needs is to supply each child with both their own crate for personal belongings and a set of school supplies. Our Kids Care director, Kim Hettinger, will be putting these together for approximately 100 children, but she could use your help. Monetary donations for this project would be greatly appreciated and you would help to bless the children that we touch each day here at Faith. Thank you so much!!
