Brentwood School Supplies

Many of you have asked if we will be collecting school supplies this year. Because the schools are not having on-site registration, supply distribution would be difficult. We have decided to ask, instead, if you wish to be a part of this ministry, to make a monetary donation and we will use that for needs at Brentwood as they are known. Please also see the article below for another way that you may help our school children.

It's Official! School will be back in session this fall!

With that also comes the start of an exciting new year of Faith Kids' Care. While our program will be reopening, things will look a little different. One of the new needs is to supply each child with both their own crate for personal belongings and a set of school supplies. Our Kids Care director, Kim Hettinger, will be putting these together for approximately 100 children, but she could use your help. Monetary donations for this project would be greatly appreciated and you would help to bless the children that we touch each day here at Faith. Thank you so much!!
