Brentwood School Supplies

Many of you have asked if we will be collecting school supplies this year. Because the schools did not have on site registration, supply distribution would have been difficult. We have decided to ask, instead, if you wish to be a part of this ministry, to make a monetary donation and we will use that for needs at Brentwood as they are known. Please also see the article below for another way that you may help our school children.

Ours schools K-12 are back in session!

This week began a new, exciting year of Faith Kids' Care. While our program has reopened, things look a little different. One of the new needs is to supply each child with both their own crate for personal belongings and a set of school supplies. Our Kids Care director, Kim Hettinger, has been putting these together for our 112 children currently enrolled, but she could use your help. Monetary donations for this project would be greatly appreciated and you would help to bless the children that we touch each day here at Faith. Thank you so much!!

Happy Birthday on August:

Our Faith Food Pantry has been able to bless several families during this time of pandemic, including some new families from Blackhawk Apartments. Thank you for your overflowing donations, as well as thanks to those who have come to help sort and prepare the food to be distributed. Non-perishable donations (boxed or canned goods; household cleaners and paper goods) are still welcome and may be dropped off at the church or you may contact Pastor Joe to arrange a pick up at your home.
