Brentwood School Supplies

Many of you have asked if we will be collecting school supplies this year. Because the schools did not have on site registration, supply distribution would have been difficult. We have decided to ask, instead, if you wish to be a part of this ministry, to make a monetary donation and we will use that for needs at Brentwood as they are known.

Please also see the article below for another way that you may help our school children.

Ours schools K-12 will be back in session this week!

With that also comes the start of an exciting new year of Faith Kids' Care. While our program will be reopening, things will look a little different. One of the new needs is to supply each child with both their own crate for personal belongings and a set of school supplies. Our Kids Care director, Kim Hettinger, will be putting these together for approximately 100 children, but she could use your help. Monetary donations for this project would be greatly appreciated and you would help to bless the children that we touch each day here at Faith. Thank you so much!!

Gracious God

as the summer begins to fade,
new possibilities lie on the horizon.

Bless all of those who are beginning
or returning to their roles as teachers
and caretakers, as well as those who
lead and support them in their efforts.

May this school year be a time of grace
and potential as they teach, share,
and challenge others to grow in faith,
knowledge, and wisdom.

Bless children and youth, along with
their parents, as they begin a new
school year.

May their minds be open to learning
and to the wonder of discovery and
insight.

Be with us all as we embark on this
new year.

Amen.
