

# Journey in Poland

July 2021

with Bill and Anna Lockrem

*But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light.*

1 Peter 2:9

We are so happy that Poland is opening up more and more.

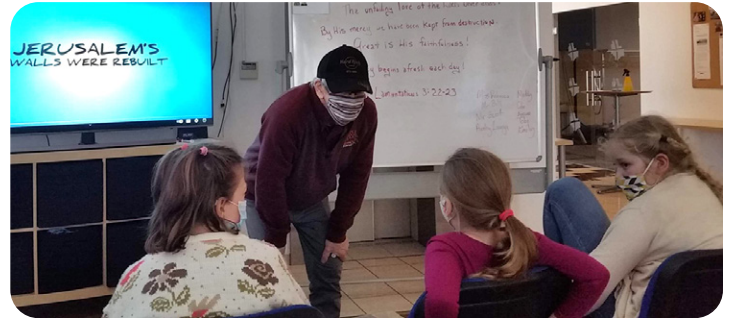

We have been able to restart Sunday School at our church.

We are able to continue discipling young married couples.

Our Ugandan daughter, Joan, has gone home to Uganda hoping to go to the International Messengers' Training School that our friend, John Pipes had been running. John

died of Covid just after Joan had returned and we don't know what will happen to the Training School—so that is a big prayer request (as well as praying for John's family)!

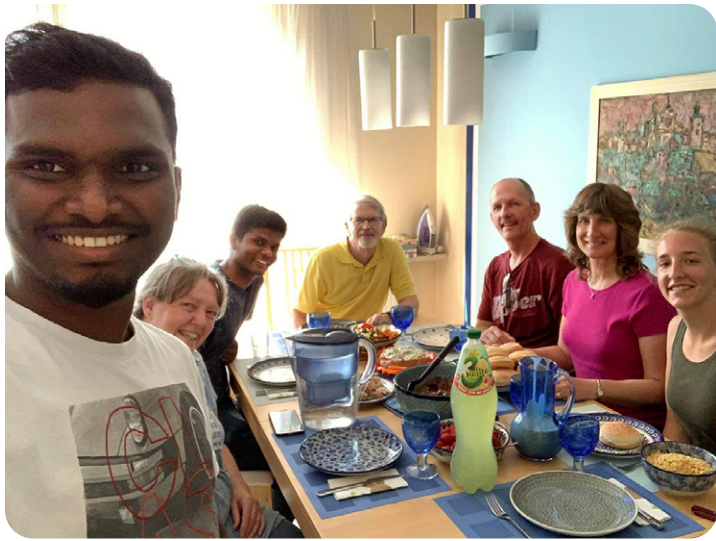

Our sweet friend, Melania married John Wesley. You may not remember, but Melania trusted Jesus at camp just a few summers ago. She has continued to grow and is serving Jesus!

We have been privileged to be "mom and dad" to Karolina and Wilfred and have had the chance to do pre-marriage counseling with them as well. We were able to go to Lithuania to their wedding and help them move Karolina's stuff back to Poland!

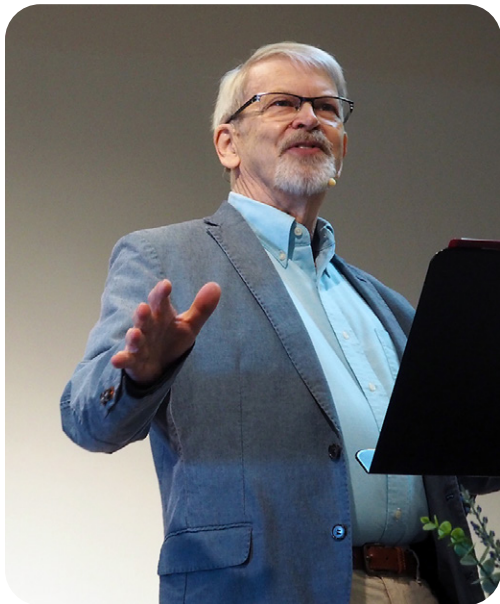

Our Kluboteka group has been meeting online for over a year and we are finally able to get together again. We have many spiritual discussions over meals and outings. We have prayed with them, gone to their loved ones funerals, and done Bible studies with several of them.

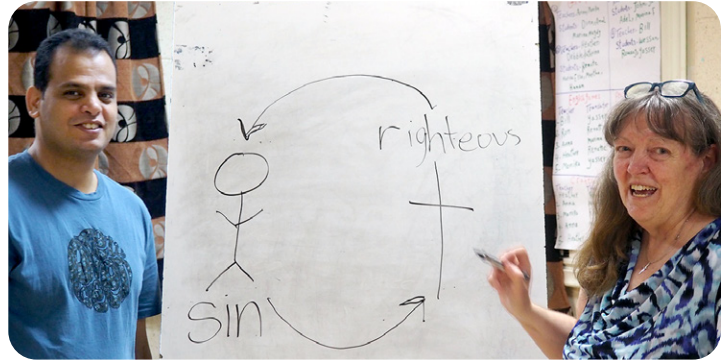

Planning for Camp always involves food! We are getting ready for two camps in July—please be praying. We know there will be many people who come not knowing Jesus—and we pray that they will begin a relationship with Him!!!

We traveled to Egypt to help train International Messengers interns on how to translate for camps. We had a wonderful group of young people who have dedicated their lives to sharing the Gospel in very harsh conditions. They practiced translating for all the different aspects of camp. Five camps are planned for this summer.
