

Journey in Poland

December 2021

with Bill and Anna Lockrem

This is how God showed his love among us: He sent his *one & only Son* into the world that we might live through him.

1 John 4:9

Wesołych Świąt Bożego Narodzenia

One of the Polish Christmas traditions that I love involves putting bits of hay underneath your tablecloth on Christmas Eve to remind us of the greatest gift that has ever been given—the gift of Jesus, being born and laying in the manger—given to live among us, to die on the cross and to live again to restore us to a right relationship with God. We pray that the work you help us to do in Poland has eternal value! May God bless your Christmas.

Below: It was a thrill for us to be able to spend time with a few of you back in the US! What a privilege it was to tell Grace Church kids about Poland.

Let me tell you about my friend, Lisa. I met her for the first time in October. But, I have been building a relationship with her for the last two years. Lisa works at a McDonald's drive-through window in Minnesota. As my friend Shelley would drive to work, she would call me in Poland so we could chat. She would introduce me to the people she would encounter on the way to work. Lisa was a regular. Of course, having the chance to finally meet her in person gave me the perfect chance to share a bit of my faith story with Lisa! We are praying that she will come to love Jesus!!

Prayer Requests

- Anna has been having some issues with infection in her eye. Please pray for answers of helping this to heal. Our friend and fellow missionary, Janet, has thyroid cancer.
- Karthi has faced many obstacles since camp last summer. He was unable to get a work visa for Poland, so he has moved back to India for the time being. His faith is strong.
- Thousim and Prasanth spent Thanksgiving with us. Thousim is making strides toward God in her life.
- Young couples in new marriages, some with mixed cultures: Sasha and John, Wilfred and Karolina, Joan and Brian. We need wisdom as we counsel and disciple.
- Our English group and lunch bunch group to expand into a Bible study...
- Malgosia has been in the hospital hallway for a week because there is no room and the doctors don't know what is wrong with her.
- Bill is on the leadership team at our international church and wisdom is needed for big upcoming decisions!
